

# Suspension and Exclusion

HOPS will deal with negative and inappropriate behaviour by using constructive behaviour management techniques. We will involve staff, parents and children to tackle disruptive and challenging behaviour collectively.

We acknowledge that children attending HOPS require additional support in order to achieve acceptable levels of behaviour. Where we identify a child with these needs, we will work closely with the parents or carers to deal with the inappropriate behaviour, with the information supplied from Behaviour Management report supplied by parents and in accordance with our **Behaviour Management** policy.

Where a child *persistently* behaves inappropriately, and puts themselves or other children or staff at risk of harm we will implement the following procedure:

1. Give the child a formal warning; staff will explain why the behaviour is unacceptable along with the use of "Time Out".
2. Staff will encourage the child to discuss their behaviour, to explain their actions and to identify strategies for avoiding such incidents in the future.
3. Details of formal warnings, suspensions and exclusions will be recorded on an **Incident record** and kept in the child's records.
4. The formal warning will be discussed with the child's parents, and all staff will be notified.

Staff will inform the manager if a child's behaviour warrants suspension or exclusion.

We will only suspend or exclude a child from HOPS as a last resort, when all other behaviour management strategies have failed or if we feel that children or staff are at risk.

Suspensions and exclusions will be fair, consistent and appropriate to the behaviour concerned, and will take account of the child's age and maturity as well as any other factors relevant to the child's situation. If appropriate, we will seek advice from other agencies.

## Temporary suspensions

Temporary suspensions will be applied in the following situations:

- In the event of an extremely serious or dangerous incident we will suspend a child with immediate effect. We will contact the parents and ask that the child be collected immediately. Immediate suspensions require the manager's agreement.

HOPS may temporarily suspend the child for a period of up to 3 consecutive sessions. If HOPS takes this step, we will discuss our concerns with the parents/carers in order to work together to promote a more desirable pattern of behaviour.

At the end of the suspension period the Administration Coordinator will meet with the parents/carers and the child, in order to agree any conditions relating to the child's return to HOPS.

## Permanent exclusion

In exceptional circumstances, and only when all other attempts at behaviour management have failed, it may be necessary to permanently exclude a child from the setting.

If a child is excluded from HOPS, the parents/carers will be given a verbal and written explanation of the issues and subsequent actions. The parent/carer has the right to appeal to the management committee against the exclusion within 14 days of receiving written notification of the exclusion.
