

Emergency Plan

In the event of a major emergency affecting our location, HOPS will follow the guidelines set out by the Local and National Government.

We will **GO IN
STAY IN
& TUNE IN!**

In this event, we understand that as parents, you will want to collect your children as soon as possible! But, it may not be safe to do so.

Please tune in to Local Radio or BBC Radio Suffolk 103.9 for information on safe movement around the area.

If the telephone landlines are not working, you may try to contact the HOPS main number: 07857618161 or The Team Leader on 07842555910 .

Until you are certain that you are not putting yourself in danger by trying to get to HOPS please do not attempt to do so.

We will care for your children and ensure their safety to the best of our ability until the all clear is given and we can return to normality.
