

Environmental Policy

HOPS is committed to the protection of the environment through reducing pollution, emissions and waste.

As part of the induction process, and through staff meetings and training, our staff will be informed about reducing the use of raw materials, supplies and energy.

We raise the children's awareness of environmental issues through discussions, projects and day-to-day activities within HOPS.

Children and staff follow HOPS 'eco code':

- We re-use and recycle our waste material, and the recycling bins are easily accessible to staff and children.
- We switch off lights when not in use and fit the lights with energy saving bulbs where possible.
- We turn off electrical equipment at the power source when not in use.
- We turn off taps after use and do not waste water.
- We do not drop litter.
- We plan to provide transport to minimise vehicle use whenever possible.

This policy was adopted by: HOPS	Date March 2018
To be reviewed annually	Signed:
